

Volunteers

Volunteer for any of the Central Jersey Dance Society's dances, and receive one free admission to the dance. Please sign-up in advance of the dance event.

It takes volunteers like you to run each dance. The following volunteer positions are available:

Setup: work with others moving chairs, setting up tables, lights, food and beverages, flyers, and other related tasks. Arrive by 6:00 P.M. or earlier depending on the starting time, typically set up is complete by 7:00 when the lesson starts. **Note:** schedules may vary depending on pre-dance workshops or later opening times,.

Cleanup: work with others to move chairs, break down and clean tables, pack away food & beverage items, flyers and other related tasks. Typically this takes one hour from the end of the dance; you will likely leave at around 12:30 A.M or later depending on the amount of the work needs to be finished.

To volunteer, please email the Director from the list below. Please include your name, phone number, the dance (date) you would like volunteer for along with the position (Setup or Breakdown). We will contact you to confirm the date and position you have requested or offer an alternate date and/or position if the number of required volunteers already have been met.
